Dear Mr Nanjundayya ,

Yes , Mr Sparkes has given effect to the orders partially , i.e. by relieving Mr Haudin of the charge of the Police Department and assuming it himself. I received the telegram about Mr.Haudin's transfer. The Deputy Commissioner sent up the correspondence separate -ly for orders,and I replied referring him to the order already passed according to your previous telegram as final I have asked the I.G. (demi officially) whether the order has been carried out and shall report tomorrow. From inform -ation coming from various sources,it seems that the trans fer was not one minute too early.

I ahve just received the enclosed reply from the In- spector General. The Deputy Commissioner's act seems to be like that of fretful children who do not obey orders with- out sulking,and trying to have at least a show of gaining their point. I hope that the matter will be settled all right after some time for cooldeliberation.

Sir,

With reference to Government Proceedings No. 2220 of the 2nd instant appointing Mr: Syeddudeen Hussein as Assistant Superintendent of Police , I have the honor to request that you will be good enough to move Government to sanction the following postings :-

Mr Haudin , Superintendent of police to be transferred to the Shimoga District and Mr Syeddudeen Hussein to be in-charge of the Bangalore-District

The transfer of Mr Haudin is absolutely necessary in the interests of public service as I observed several irregularities during my recent tour in the Bangalore District ; and it seems to me that sufficient care contro and scrutiny have not been excersised in managing the

Police Department . In fact several orders issued by the District Superintendent of police are either inconsistent with the circulars issued from time to time from the Head Office , or detrimental to the efficient working of the Department . The following are a few instances :-

(I) Extract from the Superintendent's Confidential Weekly Diary was voluntarily granted to a Barrister-at-Law for defending an accused who was brought to trial on the motion of the complainant in whose house had occurred a very heavy burglary in which the Police sent in a "B" sheet. This will form the subject of a seperate communication .

(2) Badly (Substitutes)Police Constables and ----- Constables generally were granted sick leave on full pay under article 215 of the Mysore service Regulations which concession could only be extended to men in the permanent establishment under exceptional circumstances

(3) Retention in service of a police Officer convicted of extortion and grant of sick leave under the above article instead of dismissing him from the service

(4) Frequent and unnecessary transfers of Jamedars and Daffedars and ommission to intimate the same to this Office

Many other irregularities have occurred and unless they are at once remedied or checked the safety of

Submitted to the Dewan -

It is difficult to characterise the degree of contumacy that this act of the Dy Commr involves. As official discipline and the prestige of Govt are involved, some stringent order has to be passed at once

Sir ,

With reference to Government notification No: I732 of the 5th instant posting Mr Syed Uddin Hussen Assistant Superintendent of Police to the Bangalore District , I have the honor to forward for the information and orders of Government the marginally noted correspondence between the Deputy Commissioner of Bangalore and this office . From a perusal of the enclosures it will be seen that the first objection raised to accept his services was that, on account of Mr Syed Uddin Hussen's antecedents and general character, Mr Sparkes had no --- confidence in him ; but now it is added that there is something radically wrong in his health and therefore he

should be subjected to medical examination . The objections now raised originated only after Mr Syed Uddin Hussen's promotion to the grade of Assistant Superintendent of Police what facts have come to light to render his posting to the Bangalore District undesirable have not been specified and how far they are valid I leave it to Government to decide

Sir

I beg to acknowledge receipt of your letter conveying copy of telegram from the Dewan and in reply beg to state that I have directed Mr Haudin to hand over charge to me this afternoon , as I regret that I am unable to accept the services of Mr Syed Uddin as on account of his antecedents and general character I am unable to place sufficient confidence in him to place him in charge of the Police duties of this District . I therefore request you to make other arrangements with reference to him

Sir ,

Adverting to your letter Nos:7I8 and 7I9 of the IIth instant stating that Mr Haudin has been relieved of his charge that you do not wish to have Mr Syed Uddin Hussen in his stead on account of his antecedents and general character and that therefore you cannot place sufficient confidence in him , I have the honor to state that the appointments and postings of Officers in the graded service are entirely in the hands of Government and when once an once an order is passed promoting an officer or posting him to a District , it is not desirable to protest against such an order without such officer being given a fair trial as to how he acquits himself in his wor Though in the present case Mr Syed Uddin Hussen's promotion to the grade of Assistant Superintendent of Police was also ----

recommended by you yet it is a matter for surprise to me that before giving him a trial in his new capacity you have thought it proper to express an opinion against him ÷ which opinion I may be excused to remark, reflects on the authority which gave him the present position - . Government must have posted Mr Syed Uddin Hussen to Bangalore after due consideration and on the face of such an order of Government I do not think it justifiable to make any proposal for a change before he is given an opportunity to show his capabilities or otherwise to manage the Police Department of the Bangalore District under you

In these circumstances I would request you to be good enough to put him in charge of the Police Department and should he fail to give you satisfaction the matter may be taken before Government for orders .

Sir ,

In reply to your letter of 12th instant stating that it is not advisable to protest against an order of Government posting an officer to a District without that officer being given a fair trial as to how he acquits himself in his work and that although in the present case of Mr Syed Uddin Hussen' promotion to the grade of Assistant Superintendent of Police was recommended by me , I have thought fit to express an --- opinion against him before giving him a fair trial and which fact in your opinion reflects on the authority which gave him the present position and requesting me to give Mr Syed Uddin Hussen that trial , I have the honor to inform you that I must still protest against the appointment of Mr Syed Uddin Hussen to the Bangalore District on the grounds that since making my recommendation of promoting him certain facts have come to

light which have proved to me that it is undesirable that he should be posted to the Bangalore District . In making this statement I beg to state that in no way do I wish to cast reflection upon the higher authorities , no such thoughts having entered my mind , but I merely wish to state that knowing these facts against Mr Syed Uddin Hussen it deprives me of the confidence that must necessarily exist between the Deputy Commissioner and the Police Superintendent of the Dis...

Again I would ~~bring~~ beg to bring to your notice the state of health Mr Syed Uddin Hussen appears to be in , the fact of his invariably wearing gloves and his inability to walk straight and properly , points to there being something radically wrong with him and before proceeding further I would beg to suggest that he be medically examined by the Senior Surgeon or Col: Smyth as to his further fitness for service
